WPMS No. 552 of 2001

Hon. P.C. Verma, J.

Through this petition, the petitioner has prayed for issue of a mandamus commanding the respondents to pay him commission on the sale of stamp.

I have gone through the order passed by A.D.M. finance which reveals that payment of commission has not been denied but the payment has only been deferred till the availability of budget. The petitioner shall be paid commission as and when the budget is available in the District Administration.

The writ petition is premature and is dismissed as such.
